

Pickwick & Cherry Holiday Baskets 2025

About Our Baskets

Our products are proudly crafted in Springfield's Rountree Neighborhood, in our well-hidden bakery and teaching kitchen tucked back behind 607 S Pickwick. (It's the red door!) We're dedicated to small-batch quality, time-honored methods, and premium ingredients (like European-style butter, luxury-grade tea, and real Chocolate (like Askinosie!) whenever possible. Our gift baskets are loaded with hand-made, small-batch, gourmet goodies that are sure to please anyone you want to treat.

We have always believed in sending baskets that are actually laden with food, not just loads of fillers and cardboard. And since we've been shipping baskets all over the country for a decade now, our products are carefully selected and packaged to travel.

In 2025, as ingredient and packaging costs have increased, we've made careful, modest price adjustments while preserving generous portions and excellent value. Our lineup focuses on your proven favorites like marshmallows, gingerbread, granola, cookies, and beautiful gourmet chocolate truffles. As always, we're happy to work with you to substitute items among baskets upon request and create gifts that reflect your gratitude and generosity as well as your budget.

Bulk Ordering

To be considered a bulk basket order, it must include at least 12 baskets total and 6 or more of each type.

For smaller orders, just tell us the dollar amount you'd like (e.g., "a \$100 basket") and we'll fill it with whatever available at the time. Our holiday inventory changes quickly, so we can't promise two baskets will be identical—but each will be packed with seasonal favorites.

Why We Ask For Timely Orders

Every Pickwick & Cherry basket is handcrafted by our small team of artisan bakers in small batches using specialty ingredients and custom packaging. Having your count early allows us to order ingredients in time, plan production schedules, and make sure your gifts are perfect when they arrive.

Thanks for helping us create something special for your recipients!

Shipping & Delivery

We ship all baskets via UPS Ground for reliability, speed, and value. For local clients, we also offer delivery to a designated Springfield location. This year we will have two tiers of flat-rate shipping and handling. For Regular baskets, the shipping rate will be \$11.99 per basket. Premium & Luxury baskets will continue shipping at \$15.99 per basket. Baskets will begin shipping on or before December 3rd, 2025 to ensure timely arrival.

Order & Payment Timelines

To guarantee your selections (and for the overall emotional stability of the kitchen elves), we recommend ordering early. We require a 60% deposit at the time of order, with the balance (including shipping) due upon shipment. Full prepayment is also welcome.

While we no longer charge late-order fees, please understand that we are a small, artisan operation. Preparing these baskets requires significant planning, ordering, and production time. The weeks leading up to Thanksgiving are especially busy, and last-minute orders can put real strain on our kitchen and staff.

To ensure we can give your baskets the care and attention they deserve, we kindly ask that you provide your final count and details no later than November 1st. Orders placed after this date will still be accepted if possible, but fulfillment may be subject to limitations on availability.

Classic
