

Pickwick & Cherry Holiday Baskets 2026

About Our Baskets

Our holiday gift baskets are made in small batches in our well-hidden bakery and teaching kitchen in Springfield's Rountree neighborhood. We've been shipping them across the country for more than a decade, and we still believe a gift basket should be actually laden with good food—not mostly filler, packaging, and one lonely bag of snacks.

Nearly everything inside is made by us, using excellent ingredients and the kind of unnecessarily time-consuming methods we apparently enjoy. This year's baskets include longtime favorites like our ultra-moist gingerbread, seedy maple granola, wassail, marshmallows, cocoa and chocolate tahini puppy chow, alongside single-origin vanilla extract, sculpted designer holiday chocolates, hand-shaped marzipan fruit, traditional fruitcake and other seasonal specialties.

As you move through the collection, our baskets become increasingly extravagant—not simply increasingly large. Expect more handmade confections, premium ingredients and old-world Christmas baked goods you're unlikely to find anywhere else. At the very top, our new Noël Ludicrissimo includes Austrian Kletzenbrot (a pear-laden fruit bread that was a huge hit last year), a full assortment of handcrafted marzipan fruit, and a seasonal surprise inspired by whatever has captured our attention in the kitchen in the moment.

As always, we're happy to make reasonable substitutions among baskets to suit your budget or recipients, and ingredient or packaging availability may occasionally require us to make substitutions of equal or greater value.

Bulk Ordering

To be considered a bulk basket order, it must include at least 12 baskets total and 6 or more of each type.

For smaller orders, just tell us the dollar amount you'd like (e.g., "a \$100 basket") and we'll fill it with whatever is available and excellent at the time. Our holiday inventory changes quickly, so we can't promise two baskets will be identical—but each will be packed with seasonal favorites.

Why We Ask For Timely Orders

Every Pickwick & Cherry basket is handcrafted by our small team of artisan bakers in small batches using specialty ingredients and custom packaging. Having your count early allows us to order ingredients in time, plan production schedules, and make sure your gifts are perfect when they arrive.

Thanks for helping us create something special for your recipients!

Shipping & Delivery

We ship all baskets via UPS Ground for reliability, speed, and value. For local clients, we also offer delivery to a designated Springfield location. This year we will have two tiers of flat-rate shipping and handling. For Classic baskets, the shipping rate will be \$12.99 per basket. Premium & Luxury baskets will ship at \$16.99 per basket. Baskets will begin shipping on or before December 3rd, 2026 to ensure timely arrival.

Order & Payment Timelines

To guarantee your selections (and for the overall emotional stability of the kitchen elves), we recommend ordering early. We require a 60% deposit at the time of order, with the balance (including shipping) due upon shipment. Full prepayment is also welcome.

While we no longer charge late-order fees, please understand that we are a small, artisan operation. Preparing these baskets requires significant planning, ordering, and production time. The weeks leading up to Thanksgiving are especially busy, and last-minute orders can put real strain on our kitchen and staff.

To ensure we can give your baskets the care and attention they deserve, we kindly ask that you provide your final count and details no later than November 1st. Orders placed after this date will still be accepted if possible, but fulfillment may be subject to limitations on availability.
